

## MEET HIGH-CALIBER ENGINEERS & EXECUTIVES IN SILICON VALLEY

DesignCon is the largest gathering of chip, board, and systems designers in the US. For 30 years, DesignCon has brought together the tight-knit semiconductor and electrical engineering community for three days of sourcing and knowledge sharing in the heart of high-tech innovation: Silicon Valley.

**5,400**

Total Event Attendance

**170**

Exhibiting Companies

**33:1**

Attendee to Exhibitor Ratio

**69%**

are from California

**89%**

advise, are jointly responsible for, or are solely responsible for purchasing products/services for their company

**75%**

have an active project or one planned within the next 24 months

### Top Attendee Job Functions

Hardware Engineer  
Electrical Engineer  
Design Engineer

### #1 Attendee Objective

Keep up to date with the industry and discover new products, technology and innovations

### Top 15 Attending Companies

Amazon	Broadcom	Keysight
AMD	Cadence	Marvell
Amphenol	Cisco	Molex
Apple	Google	Nvidia
Astera Labs	Intel	TE Connectivity

“ We started with DesignCon 30 years ago and as technology has continued to change, we see what a valuable place it is to be” –*Bethany Hoffman, Tektronix*

“ DesignCon is like reunion week for me. I’ve been coming here since the 90’s so I get to see all kinds of friends in the industry. This is the hub of where all the activity is for high tech” –*Brad Griffin, Cadence Design Systems*

“ There’s so much buzz. The attendance is so good. I couldn’t be happier. This is so good for the industry and especially for younger engineers to come and see what’s going on” –*Donald Telian, Siguy*
